Dear Morey Middle School Staff, Families and Students,

Thank you for the continued support of your children, our educators and Morey Middle School leadership. Noah Tonk, principal of Morey, announced recently that he has accepted another position and will not be returning to Morey for the 2018-19 school year. We would like to take the time to express our deepest appreciation for Principal Noah Tonk and his dedication to our students and staff at Morey. We will miss Mr. Tonk and we wish him the best as he transitions into his new role in the Cherry Creek school district.

I am pleased to announce Hillary Niebauer as interim principal at Morey Middle School for the 2018-19 school year. Hillary joined Morey four years ago as the Assistant Principal and most recently, she completed a principal residency there as well. Hillary is well-known in the community for her relationships with students, families and staff, relentless commitment to all learners and exemplar school culture leadership. Morey will be in very capable hands!

Denver Public Schools will work with the Morey Collaborative School Committee next school year to engage in the selection process for the permanent principal for 2019-20. More information on the process and how to get involved, will be sent out in the late fall.

Please know that we are committed to ensuring a seamless transition for our Morey students. We look forward to the continued collaboration with staff, students and families, and we thank you in advance for your continued support. Should you have any questions, please do not hesitate to call the Family & Community Helpline at 720-423-3054. Thank you.

Sincerely,

Heather Haines
