

Morey Weekly Communications

For the Week: December 8– December 12 and beyond

Morey Report Cards:

We have moved to a semester grading system and will be sending out report cards the last week before Winter Break. Report Cards will go out on Friday, December 19th. Any questions, feel free to contact Jeannette Ekstrand, 720.480.5324

Schedule Change: Mr. Jarrett's HGT students will have Mr. Carlstrom during 2nd semester.

Limited Roster Changes

As we examine student growth data, we want to ensure that students are provided with every opportunity to receive appropriate educational services that are tailored to their individual needs. Because of this, we will be making some roster changes in High Strides classes **for second semester**, based upon a combination of classroom achievement and growth data from fall to **winter interim performance**, and may include some possible changes to the overall structure of our schedule. This will allow teachers a better opportunity to provide more targeted instruction and will have a positive impact on student achievement, engagement, and classroom environment prior to the winter interim. This will NOT impact HGT classes, exploratory classes, intervention classes, or enrichments. Thank you for your understanding and support.

Our Winter Dance is coming! Morey's Snowball Dance is Thursday, December 18th. Parent Volunteers are needed!

If you are interested in purchasing ice or snacks for the event, contact Patricia Huth and she will give you the specifics and also be able to reimburse you, if necessary.
