After School Updates:

Does your student wish he/she had a computer at home? Would your student like to learn all about computer software, virus protection, Internet security, and more? If you answered yes to both these questions, then your student should apply to participate in the Techknow after school program. The program will take place every **Wednesday from 3:15 to 5:15 pm**, starting **Wednesday, February 4**. Interested students should go to Room 102 to get an application. If your student is accepted into the program and completes the program, your student will earn a free computer to take home! Questions: Contact Meryl Icove, Coordinator, Morey Neighborhood Center, Meryl_icove@dpsk12.org

Did you know that February is CTE Awareness Month? As middle school students now is the time to begin looking at your career pathway and exploring all six of the Career Clusters. During the month of February look forward to a number of events, activities and contest to celebrate Career and Technical Education Awareness Month at Morey Middle School.

Orion Launch Presentation

History was made in December 2014 when the first Orion capsule launched, representing a major step in NASA's new Human Exploration Program. This program ultimately may take us to Mars. The creative genius behind this next leap for mankind has roots right here in Highlands Ranch! STEM School and Academy's Engineering Department is partnering with United Launch Alliance and Lockheed-Martin to host a presentation on the joint-venture Orion Space Launch on Friday, February 6th. High-level engineers will discuss the significance of the Orion program. There are two opportunities to hear from the panel, each limited to 250 guests:

Friday February 6th, 2015

4:00pm - Presentation geared towards Middle and High School students and parents

6:00pm - Presentation geared towards advanced engineering students and the technically savvy

Each presentation will be held in the Grand Ballroom at the Hilton Garden Inn in Highlands Ranch, to be followed by a Meet-and-Greet at The STEM School and Academy across the street, 877s S Ridgeline Blvd. 80129.

All students (middle and high school and college) may attend for free. There is a \$10 suggested donation at the door for adults. **RSVP required**, a link to RSVP can be found at www.stemhigh.org.
