I am missing quite a few books that are not officially checked out and I would like them returned ASAP. My name is on each of the book, so it shouldn't be too hard to figure out which are mine. I have several popular titles missing, graphic novels, and series books that other students are waiting to check out; some I haven't seen since last school year. I have addressed individuals as much as possible, but it doesn't hurt to send out the request for everyone to double check. Many Thanks! **Ms. Zablocki**
