Strengthening Families Program

Do you want to:

- Help your children succeed in the future?
- Keep your children from serious behavior problems like drug and alcohol use?
- Maintain a positive relationship with your children during the challenging teen years?

In just seven two-hour sessions:

- You will learn how to show love while setting limits.
- Your children will develop skills in handling peer pressure and building a positive future.
- Your family will grow and have fun together.

Then the Strengthening Families Program (SFP) may be a great opportunity for you. **We have a few spots left!!!** Morey Middle School is offering the Strengthening Families Program as a resource to our families. It is an evidence based program that is being offered at Morey... for FREE. We provide dinner for you and your family and encourage as many (household) family members to participate as possible. You do need to sign up as there is a limit to the amount of families we can host per session. It is a seven week commitment. Our first session begins October 28 at 4:30 pm and will continue for seven Thursdays (excluding Thanksgiving). If you are interested, please contact Averill Hovey, Prevention Specialist, at averill_hovey@dpsk12.org or at 720-424-0783.
