

AGENDA
Morey Collaborative School Committee
November 19, 2014

- I. Welcome – In attendance: Denise, Sharon, Jen, Annika, Noah, Brooke
 - a. Need to find two new parents for members.
 - b. Welcome Sharon Klebba as new Classified Member.
 - c. Idea to broadcast heavily to hold a parent meeting in GVR for Morey Parents to reach parents that aren't able to attend / get down to the area.
 - d. Parents are having an issue with getting the newsletter from Janette.

- II. Examine UIP data (continue if necessary)
 - a. Noah received feedback regarding one of the goals (Writing) – needing to expand a bit more.

- III. Behavioral Issues in Classroom
 - a. From parent meeting with Janette.
 - b. Very frustrated parents, most part parents of High Strides 7th and 8th graders, feeling that a few classes are too out of control and students aren't learning.
 - c. Restructuring of programs are in consideration for next semester.
 - i. Kids are too differentiated in the same class – instruction at the middle ground is not adequate.
 - ii. Thinking of offering Honors Classes – not an Honors Track. Ex: LA, LA Honors, LA HGT. LA would be 20 kids. Kids that need more personal attention would get it. We would make sure that we are breaking kids by academic need / not behavioral needs.
 - iii. Additionally – Emulating the AN program for a core group of kids that have chronic behavioral issues to target the foundations they need to be functional in the classroom for LA and Math.
 - d. Restrictive behavioral ladder.
 - i. Parents are upset that the ladder is so restrictive.
 - ii. No place to put kids spur of the moment for the remainder of the period. Ideas thrown out regarding having teachers “sub” for their planning period (with pay) and be “on call” to take those kids.
 - iii. Teachers feel the precedent has been set, and since there aren't bigger consequences for the actions the behaviors aren't going to stop. NNN doesn't feel to be working in all classes.

- IV. Principal Report

- V. Public Comment – Each person will be given three minutes to address the committee.

VI. Other Items

VII. Next meeting, Wed., December 17, 2014
