

Morey Middle School's 8th Grade Continuation

Continuation is Thursday, June 4th, 2015 at 10:00am and will go until around 11:30am at East High School (1600 City Park Esplanade -Colfax & York). **(See below for options on how to get your child to and from continuation)**

Students need to report to East High School at 9:30am the morning of the June 4th. Students may be excused to leave Morey from East after the ceremony **if** they have a signed permission from a parent/guardian excusing them to leave. Without a note, students will report back to Morey and will act as a Teacher's Assistant for the remainder of the day.

For continuation rehearsal, Eighth graders will walk to East HS (30 minute walk both ways) the morning of the June 3rd. They will return to Morey after practice (about noon) and finish their day at school.

Students must dress appropriately for continuation. This means "dress clothes" that meet our school dress code (no spaghetti strap shirts or dresses, only knee length skirts or dresses; no sagging pants; no hats, etc.) Suits are not required; however, we would appreciate students not wearing jeans.

Eighth graders do NOT need to attend school the last day, Friday, June 5th! They have finished their education at Morey Middle School and we will miss them. We wish them the very best during their high school years.

Please return this portion of the form to the main office by Friday, May 22nd.

**TRANSPORTATION IS NOT PROVIDED FROM EAST HIGH – STUDENTS MUST BE PICKED UP,
TAKE THE RTD OR WALK HOME.**

Student Name _____

_____ I would like my student to take a bus to East High School the morning of continuation.

_____ Our family will make sure our 8th grader will arrive to East HS by 9:30am

_____ I would like my student to go to Continuation with a Morey Staff member.

_____ Yes my student will leave East High School after continuation on June 4 and not return back to Morey. I understand I am responsible for my child if he/she doesn't return to Morey.

Parent/Guardian signature _____

Date _____
