

May 7, 2015

Greetings Morey Families,

As the new assistant principal, I am excited to join the leadership team and work with the amazing staff and students at Morey Middle School. One of our goals at Morey is to ensure all students are highly prepared for academic, social, and personal success through rich educational experiences and I am confident I can help make that vision a reality for your child.

I have spent my entire 13-year career working in middle schools and feel fortunate to continue my journey at Morey. I spent the last 10 years at Hill Campus of Arts & Sciences as a literacy teacher, instructional coach, student advisor and eventually an assistant principal. I feel my past middle school experience has given me valuable insight into middle school kids and effective school leadership.

My husband, Joel, and I have been married 11 years and have two amazing little girls: Abigail, 9, and Rayen, 7. They are about to finish 4th grade and 1st grade, respectively. When I get that rare moment of free time, I enjoy reading, watching movies and taking every opportunity to head up to the mountains and fish at my family's cabin.

I look forward to meeting you in these last few weeks of school, or at the beginning of next year. If you have any questions, please do not hesitate to reach out to me.

Sincerely,

Hillary Niebauer
Assistant Principal
Morey Middle School
