

Summer business conducted by email communication (June/July 2015)

Lynn Hartfield, Brooke Trexler, Larry George and Samantha Tanenholtz participating (and Stephen Crockett in June)

By general consensus it was determined in June that we should allow the friendsofmorey.org domain name expire - that we were better off being a part of the Official Morey Middle School website.

Stephen Crockett resigned from the board effective July 7, 2015

The amount previously agreed to by FOM for the community liaison position for 2014/2015 was \$17,500. Noah Tonk has requested \$17,803. This was unanimously approved.

We voted to approve up to \$300 for the back to school picnic.

We voted Kelley Blaine onto the FOM board as incoming treasurer. She and Larry George can determine the best course of action for the transition, but will officially serve as treasurer no later than January 2016.

Lynn Hartfield is taking the lead on organizing the back to school picnic. She has recruited Vee Lew and Beth McWhirter to assist. Brooke and Larry will also be there to help.

A sign up genius account has been set up for Friends of Morey and a signup has been generated for registration and sent out to 7th and 8th grade families who might be willing to help. Brooke and Larry are also each able to take a shift for registration. Samantha will ensure we have forms for distribution at registration as well as reloadable grocery cards - all to recruit interest in FOM/PTO and also begin the fundraising process for the year.

Samantha Tanenholtz submitted her resignation from the board on July 22 due to no longer having a child enrolled at Morey. She will continue to assist with back to school organization through August 4 and will be available to help transition a new president.
